

Brass drilled

Brass is a traditional material for memorial, registered office and house signs.

Archer Signs can provide high quality engraved Brass Plaques with text and pictures of your choice.

Here are details of our standard range, but we can produce any size, font and text colour of your choice.

We can also provide wooden backing boards and tree stakes if required.

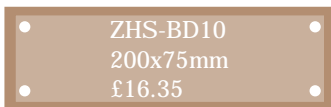

Prices are for the drilled brass only, plus 36p per character depending on the size of the character.
